  as well as their signature indicating agreement for the road closure. Barricades and security are the
  responsibility of the applicant.

#### **Glossary of Terms**

<u>Condominium Plat</u>: The procedure to review and record a condominium plat is subject to the Condominium Ownership Act (57.8- Utah Code). Staff review includes addressing all units, a review to verify compliance with the zoning ordinance and conditions of approval previously imposed and an engineering review to verify compliance with platting requirements.

**Director**: The Director of Planning and Development or designee.

<u>General Plan Amendment</u>: Planning Commissions make a recommendation to the Council who must authorize Amendments to a General Plan. A study that includes public involvement is conducted after Council gives the direction to proceed to the Development Services Director.

Home Daycare I Pre-school Application Fees: Although a home daycare or pre-school may be operated out of a private residence, it is not considered or reviewed in the same manner as a home business. Therefore, they are listed separately in the fee schedule and in the ordinance.

Modification to a Recorded Subdivision Plat: Utah Code requires a specific process be followed to amend, vacate or alter a recorded subdivision plat. This involves application, notice, a public hearing before the planning commission and executive (commonly referred to as a 608 hearing/ Mayor's Meeting). Additionally, an engineering review of the preliminary and final plat prior to approval and recording is required. Fees may include Planning Commission Review, Additional Public Body Review, Technical Review.

<u>MSD</u>: Means the Greater Salt Lake Municipal Services District, which the Town of \_\_\_\_\_ has contracted with to provide planning and zoning, building permit, business license, and code enforcement services

PUD (Planned Unit Development): In those zones which allow development of a PUD they are listed as a Conditional Use, which requires review by the Planning Commission. For developers who intend to sell individual lots within the PUD both the Planning Commission Review, Conditional Use and a Subdivision Preliminary Plat review would be required, and a Technical Review prior to final approval is also required. Per the fee schedule each of these reviews requires separate fee

Additionally, because more than one review process is required the application would also involve an Agency Review Meeting. Fees may include: Agency Coordination Meeting, Planning Commission Review (Conditional Use), Planning Commission Review (Preliminary Plat), Technical Review.

The conditional use approval (Planning Commission approval) is required prior to preparation of the subdivision preliminary plat to ensure that the recommendations of the Planning Commission are properly incorporated into the preliminary plat.

<u>Re-Zone (Zoning Map Amendment)</u>: A request to change the existing zoning (re-zone) requires: review and recommendation from the planning commission (Public Body Review) and final decision by the council (Additional Public Body Review)and technical work (Technical Review) for map and index work).

<u>Signs</u>: Signs vary in the type and complexity of review process required therefore they are listed under several review types. It is intended that the fees are assessed per review process and not per sign. For example, a business that had 2 signs requiring Planning Commission review would be charged for 1 Planning Commission review. However, a business which had 1 sign which required Planning Commission review and another sign which did not would be charged for 1 Planning Commission review and 1 staff review.

<u>Subdivision</u>: A request to subdivide property requires review and approval of a preliminary plat, and a Technical Review of the Final Plat. Additionally, an Agency Review Meeting is required. Note that in the case of a "one-lot" subdivision there might also be an Administrative Review for the proposed Single-Family Dwelling. Fees may include: Agency Coordination Meeting, Planning Commission Meeting, Technical Review, Staff Review of a Site Plan.

Valuation: The estimated construction cost for a project.

## MAGNA CITY ORDINANCE NO. <u>2024-O-06</u>

## AN ORDINANCE OF THE MAGNA CITY COUNCIL ESTABLISHING A MUNICIPAL ENERGY SALES AND USE TAX AND A TELECOMMUNICATIONS LICENSE TAX

#### RECITALS

WHEREAS, the Magna City Council ("Council") met in a regular session on June 11, 2024, to consider, among other things, establishing a municipal energy sales and use tax ("MET") and a telecommunications license tax ("TLT"), and establishing the effective dates and rates for such taxes; and

**WHEREAS**, pursuant to the Municipal Energy Sales and Use Tax Act, Utah Code § 10-1-301 *et seq.*, Magna City ("**Magna City**") may levy a MET through ordinance; and

**WHEREAS**, pursuant to the Municipal Telecommunications License Act, Utah Code § 10-1-401 *et seq.*, Magna City may levy a TLT through ordinance; and

WHEREAS, the Council has determined to enact a MET and a TLT through this ordinance.

#### **BE IT ORDAINED BY THE MAGNA CITY COUNCIL** as follows:

1. Enactment of MET. The following is enacted as Chapter 3.80 of the Magna City Municipal Code:

#### 3.80.010 Purpose

It is the intent of Magna City to adopt a municipal energy sales and use tax pursuant to, and in conformance with, Utah Code § 10-1-301 et seq., the "Municipal Energy Sales and Use Tax Act."

#### 3.80.020 **Definitions**

All words and phrases in this chapter shall have the same meaning given them in the MET Act, with the following additions:

- A. "Consumer" means a person who acquires taxable energy for any use that is subject to the MET Act.
- B. "MET" means municipal energy sales and use tax.
- C. "MET Act" means Utah Code § 10-1-301 et seq., the "Municipal Energy Sales and Use Tax Act."

- D. "Sale" shall mean any transfer of title, exchange, or barter, conditional or otherwise, in any manner, of taxable energy or fuel for consideration. It includes:
- E. "Installment and credit sale" means
  - 1. Any closed transaction constituting a sale; and
  - 2. Any transaction under which right to acquire, use, or consume taxable energy is granted under a lease or contract and the transfer would be taxable if an outright sale were made.
- i. "Storage" means any keeping or retention of taxable energy in Magna City for any purpose, except the sales in the regular course of business.
- j. "Use" means the exercise of any right or power over taxable energy incident to the ownership or the leasing of the taxable energy, excluding the sale, display, demonstration, or trial of the taxable energy in the regular course of business and or taxable energy which is held for resale.

#### 3.80.030 Municipal Energy Sales and Use Tax Levied

Pursuant to Utah Code §59-12-301 et seq., the Municipal Energy Sales and Use Tax Act, there is hereby levied, subject to the provisions of this Ordinance, a tax on every Sale or Use of taxable energy made within Magna City equaling 6% of the value of the taxable energy to the consumer and effective on and after October 1, 2024. This tax shall be known as the Municipal Energy Sales and Use Tax ("MET"). The MET shall be calculated on the delivered value of the taxable energy to the consumer. The MET shall be in addition to any sales or use tax imposed by Magna City under Utah Code §59-12-201 et seq., the Local Sales and Use Tax Act.

#### 3.80.040 Exemptions

Pursuant to Utah Code § 10-1-305(2)(b), the MET exempts from its terms the sale and use of:

- A. Aviation fuel, motor fuel, or special fuel which is subject to taxation under Utah Code § 59-13;
- B. Taxable energy where the primary use is for compounding or producing taxable energy or a fuel which is subject to taxation under Utah Code § 59-13;
- C. Taxable energy that Magna City is prohibited from taxing under federal law or the Constitutions of the United States or Utah;
- D. Taxable energy purchased or stored in Magna City for resale;

- E. Taxable energy brought into the state by a nonresident for his or her own personal use while in the state, except taxable energy purchased for use in the state by a nonresident living or working in the state at the time of purchase;
- F. Taxable energy for any purpose other than use as a fuel or energy; and
- G. Taxable energy for use outside of Magna City.
- H. Pursuant to Utah Code § 10-1-305(4), the sale, storage, use, or other consumption of taxable energy is exempt from the MET if:
  - 1. The delivered value of the taxable energy has been subject to a municipal energy sales and use tax levied by another municipality within Utah under an ordinance enacted in accordance with the MET Act; and
  - 2. Magna City shall be paid the difference between the tax paid to the other municipality and the tax that would otherwise be due under the MET if the tax due under the MET exceeds the tax paid to the other municipality.

The MET further incorporates all other exemptions required by Utah law.

#### 3.80.050 No Effect Upon Existing Franchises; Credits for Franchise Fees

This MET shall not alter any existing franchise agreements unless otherwise terminated or altered by agreement or applicable law. Any energy supplier who (a) pays a contractual franchise fee to Magna City pursuant to a contract which was in effect as of July 1, 1997, (b) passes the fee through to taxpayers as a separately itemized charge, and (c) accepts the franchise shall receive a tax credit equal to its contractual franchise fee.

#### 3.80.060 Tax Collection Contract With the Tax Commission

- A. On or before the effective date of the ordinance from which this chapter is derived, Magna City shall contract with the state Tax Commission to perform all functions related to the administration and collection of the MET, save those functions reserved to Magna City by law and described below. The Mayor and City Recorder are hereby authorized to enter into such agreement or amended agreement as needed with the state Tax Commission that may be necessary to the continued administration and operation of the MET.
- B. An energy supplier shall pay the MET collected from its consumers directly to Magna City monthly if:
  - 1. Magna City is the energy supplier; or

- 2. The energy supplier estimates that the MET collected annually from its Utah consumers equals one million U.S. dollars (\$1,000,000.00) or more and (c) the energy supplier collects the MET.
- C. An energy supplier paying the MET directly to Magna City may retain the percent of the tax authorized under Utah Code § 59-12-108(2) for energy supplier's cost of collecting and remitting the tax.

#### 3.80.070 State Statutes Incorporated

- A. Except as herein provided, and except insofar as they are inconsistent with the provisions of the MET Act, as well as this Chapter, all of the provisions of Utah Code § 59-12-1, as amended, and in force and effect on the effective date hereof, insofar as they relate to the sales and use taxes levied therein, are hereby adopted and made a part of this chapter as if fully set forth herein.
- B. Wherever, and to the extent that in Utah Code § 59-12-1 or the MET Act the State of Utah is named or referred to as the taxing agency, the name of Magna City shall be substituted, insofar as is necessary for the purposes of those parts. In no event shall the word "state" be substituted when used in junction with the "state tax commission," nor shall the State Tax Commission be substituted with Magna City in any way or for any matter of liability which is assigned by statute to the State Tax Commission.
- C. Any amendments made to Utah Code § 59-12-1 that relate to levying or collecting a municipal energy sales and use tax are hereby adopted by reference.

#### 3.080.080 No Additional License or Reporting Required

No additional license to collect or report the MET tax is required, provided the energy supplier collecting the tax has a license issued under Utah Code § 59-12-106.

2. Enactment of TLT. The following is enacted as Chapter 3.90 of the Magna City Municipal Code:

#### 3.90.010 Purpose

It is the intent of the Council to adopt a TLT pursuant to, and in conformance with, Utah Code § 10-1-401 et seq., the "Telecommunications License Tax Act."

- **3.90.020 Definitions**. All words and phrases in this Chapter shall have the same meaning given them in the TLT Act, with the following additions:
- A. "TLT" means a telecommunications license tax authorized under the TLT Act.
- B. "TLT Act" means the Telecommunications License Tax Act, Utah Code § 10-1-401 et seq.

#### 3.90.030 TLT Levied

There is hereby levied, subject to the provisions of this Chapter, a tax on the gross receipts of telecommunications services attributable to Magna City in accordance with Utah Code §§ 59-12 and 10-1-407. The rate of the TLT shall equal 3.5% of each telecommunications provider's gross receipts from telecommunications services that are attributed to Magna City. The tax shall be effective on and after October 1, 2024. Magna City may exceed this rate if a higher rate is approved by a majority vote among those persons who vote in a municipal general election or a regular general election.

#### 3.90.040 Agreement With the Tax Commission

On or before the effective date of the ordinance from which this chapter is derived, Magna City shall enter a uniform interlocal agreement described in Utah Code § 10-1-405 with the Utah Tax Commission.

#### 3.90.050 Procedure for Taxes Erroneously Recovered from Customers

A customer may not bring a cause of action against a telecommunications provider on the basis that the telecommunications provider erroneously recovered from the customer municipal telecommunications license taxes authorized by this ordinance unless the customer meets the same requirements that a purchaser is required to meet to bring a cause of action against a seller for a refund or credit as provided in Utah Code § 59-12-110.1(3).

- 3. <u>Notice to Utah State Tax Commission</u>. The Mayor is directed and authorized to execute and send the letter attached to this ordinance to the Utah State Tax Commission.
- 4. <u>Effective Date of MET and TLT</u>. The MET and TLT will become effective on and after October 1, 2024, pursuant to Utah Code § 10-1-304(3)(b).
- 5. <u>Agreements with Utah State Tax Commission</u>. On or before the effective date of the MET Tax, the Mayor shall execute agreements that are in substantially the same form as Attachment 2 of the attached letter, unless the Commission requires another form or format, in which case the Mayor will present such agreement(s) to the Council for review and approval.
- 6. <u>Direction to Mayor and Staff</u>. The Council directs the Mayor and Magna City staff to take all actions necessary to implement this ordinance.
- 7. <u>Effective Date of Ordinance</u>. This ordinance shall take effect as soon as it is posted pursuant to Utah Code §10-3-711, deposited, and recorded in the office of the City Recorder.

Re: <u>Notice of Enactment of Municipal Energy Sales and Use Tax and Municipal Telecommunications</u>
License Tax

To Whom It May Concern,

Pursuant to Utah Code §§ 10-1-304(3)(b) and 10-1-403(3)(b), Magna ("Magna") hereby provides notice to the Tax Commission of Magna's intent to enact a Municipal Energy Sales and Use Tax ("MET") and a Telecommunications License Tax ("TLT") by ordinance. Magna is authorized to enact the MET under 10-1-301 et seq. and the TLT under Utah Code §§ 10-1-401 et seq.

The effective date of the MET and TLT shall be the first day of the first yearly quarter that begins at least 90 days after you receive this notice, which date is October 1, 2024. The rate of the MET shall be 6% of the value of the taxable energy delivered to the consumer. The rate of the TLT shall be 3.5% of the gross receipts of telecommunications services attributable to Magna. More details are included hereto in the Notices of Change in Sales Tax Rate attached hereto as <u>Attachment 1</u>.

Pursuant to Utah Code §§ 10-1-305(3) and 10-1-405, Magna must enter into agreements with the Commission enlisting your services in performing certain functions related to the administration of operation of the MET and TLT, with some exceptions. Magna respectfully requests the Commission's aid in reaching an amenable agreement. Proposed agreements between the Commission and Magna for the MET and TLT are attached here to as **Attachment 2.** 

Respectfully, MAGNA CITY

Mayor Eric Barney

Agreements Between Utah State Tax Commission and Magna City

# AN AGREEMENT BETWEEN THE UTAH STATE TAX COMMISSION AND A MUNICIPALITY THAT HAS IMPOSED THE MUNICIPAL ENERGY SALES AND USE TAX

This Agreement is made by and between the Utah State Tax Commission (hereinafter "Commission") and Magna City (hereinafter "Magna").

**WHEREAS**, Utah Code Section 10-1-305 requires Magna to enter into an Agreement with the Commission on or before the effective date of the Magna's ordinance imposing the municipal energy sales and use tax; and

**WHEREAS**, the purpose of the Agreement is to ensure that the municipal energy sales and use tax is appropriately imposed and collected.

**NOW THEREFORE**, Commission and Magna do hereby agree as follows:

- 1. Magna has adopted an ordinance to impose the municipal energy sales and use tax under Title 10, Chapter 1, Part 3 of the Utah Code.
- 2. Commission shall transmit monies collected under the municipal energy sales and use tax monthly by electronic funds transfer to Magna.
- 3. Commission shall conduct audits of the municipal energy sales and use tax with the same frequency and diligence as it does with the state sales and use tax.
- 4. Commission shall charge Magna for the Commission's services in an amount sufficient to reimburse Commission for Commission's costs of administering, collecting, and enforcing the municipal energy sales and use tax. Commission's charge to Magna may not exceed the amount prescribed under Utah Code Section 59-1-306.
- 5. Commission shall collect, enforce, and administer the municipal energy sales and use tax pursuant to the same procedures used in the administration, collection, and enforcement of the state sales and use tax as provided in Utah Code Section 10-1-307.
- 6. This Agreement shall be in effect for a term of one year from the effective date and shall be automatically renewed from year to year. The effective date of this Agreement shall be the first day of October 1, 2024, following the notice required under Utah Code Section 10-1-304.

Magna City: Terms & Conditions allowing the use of Beer in City Parks - June 2024

**Purpose**: To establish uniform standards and guidelines for the allowed use and consumption of Beer in Magna City Parks.

**Definitions**: The following definitions will be used when reference hereafter:

"Adult Minor" - means an individual under 21 years old.

"Beer" - means and includes "light beer," "malt liquor," "seltzer," or "malted beverages," and all products that contains at least 0.5% of alcohol by volume or 4% by weight and are obtained by fermentation, infusion or decoction of any malted grain.

"Child" - means an individual under 18 years old.

"Council"- Elected Magna City Council.

"Liquor" - means a liquid that is alcohol that contains at least 0.5% alcohol by volume. "Liquor" does not include beer.

"Mayor" - Council-elected chair of Magna.

"Park" - means, but is not limited to, an open space, attached parking lot, playground, pavilions, and any property owned, leased or operated by Magna City and held out as a place of public gathering for recreation and relaxation.

"Private event" means a specific social, business, or recreational event: for which an entire pavilion, room, area, or hall is leased or rented in advance by an identified group; and that is limited in attendance to people who are specifically designated and their guests. "Private event" does not include an event to which the general public is invited, whether for an admission fee or not.

#### **General Guidelines**:

The Magna City Council recognizes that current state law limits the consumption of Beer and Liquor is public parks.

The Magna City Council has a process that allows for the reservation of pavilions in public parks. Furthermore, this same process allows the Magna City Mayor to provide written approval for the limited consumption of Beer in a city park.

#### Specific Guidelines for allowed consumption of Beer in a City Park:

Any person, organization or business may reserve a pavilion within a Magna City Park if they submit the appropriate "Reservation Request Form" as required by the Salt Lake County Parks and Recreation. Magna City contracts for services associated with the parks and pavilion reservations located within Magna City.

As part of the Reservation Request Form process, should an application request the allowance of Beer consumption during their event, the following conditions, standards and guidelines shall be adhered to:

 The person, organization or business that has reserved a pavilion within a Magna City park shall take steps to verify that only Beer is consumed during their private event. Liquor shall not be served during their private event.

- 2. The person, organization or business shall limit the participation to only those individuals who are friends, guests, or members of the person, organization or business that has submitted the Reservation Request Form. Stated another way, the general public shall not join the hosting person, organization or business on the day of the approved event.
- 3. The person, organization or business shall limit the availability of Beer during their event, such that only adults will be allowed to serve Beer to fellow participants and attendees. Children and minor adults will not have access to the Beer.
- 4. The person, organization or business shall prevent the over consumption of Beer during their private event.
- 5. The person, organization or business shall discontinue the serving of Beer one-hour prior to the conclusion of their private event.
- 6. The person, organization or business shall clean-up and dispose of trash before leaving the park.
- 7. The person, organization or business shall provide aid and assistance, if requested, by Unified Police Department, Unified Fire Authority or Magna City staff should the need arise for those respective agencies to respond to the city park for any reason whatsoever.
- 8. The person, organization or business shall obtain the assistance of a third party transportation business (such as Uber, Lyft or Yellow Cab) to assist any friend, guest or participant of the private event who becomes intoxicated, regardless of the amount of Beer consumed at the private event.
- 9. The person, organization or business acknowledges that a determination by the Magna City Manager that any of the prior conditions, standards and guidelines that are not met, violated or ignored, shall be the basis for denying a future request to reserve a park pavilion in Magna City. The decision of the Magna City Manager that a violation has occurred shall be provided to the person, organization or business in writing and is not subject to review.
- 10. The person, organization or business requesting this allowed use of Beer in any Magna City park accepts liability for any and all injury and damages to third persons as proscribed in Utah Code §32B-15-201. Furthermore, by agreeing to these conditions, standards and guidelines, the applicant also agrees to indemnify Magna City against any and all claims related to injury and damages to third persons as a result of Beer that is consumed in Magna City parks.
- 11. The person, organization or business may exercise their right of an appeal, should the Magna City Mayor deny the Local Consent Notification. That appeal shall be heard by the Magna City Council at the next scheduled City Council meeting following the Mayor's denial. The Mayor will be provided an opportunity to present the basis for denying the Local Consent Notification. The denied applicant will be provided an opportunity to respond to the Mayor's explanation.

The above terms and conditions shall be reduced to a form that is maintained by the MSD. The person, organization or business shall sign the form acknowledging the terms and conditions. Finally, a copy of the signed form shall be maintained by the MSD and a copy forwarded to the Magna Unified Police Department, attention of the Magna Chief of Police.

Areas Affected: The Historic District Plan Area (MHDAP), shown on the map on pg. 17, encompasses nearly 2 square miles representing the northwest corner of urban Magna.

#### Key Findings:

- Magna can promote economic vitality & sustainability in the district by balancing retail sqft and housing availability.
- Manga can create parking solutions facilitating economic activity and development in the historic core using of multi-faceted approach to improving public/private parking and identifying a public parking pool.
- Magna can update the environmental conditions of the district by introducing streetscape furnishing and updating parks and open space throughout the district.

Staff Recommendation: That the council review the Magna Historic District Area Plan document and website and make recommendation as required to meet the perceived needs of the plan area and community at large.

#### **SUMMARY**

Historic Main Streets, when performing at their best, function as the economic and social heart of a community. They are a visual manifestation of the community's history, culture, pride, and vibrancy. They are walkable, shoppable, entertainment districts that provide a community-managed outdoor mall that provides a familiar and comfortable venue to host community events, markets, fairs, and celebrations. A vibrant and vital historic main street acts as the centerpiece of a neighborhood where people live, work, and play.

Magna's Main Street peaked in 1970's but has seen little development since that time. In 2020, in the aftermath of a damaging earthquake, Main Street was designated as a National Historic District. At the same time, Magna was selected to participate in the Utah Main Street Program. These designations generated additional community interest in reviving the downtown core.

In 2021, the MSD Planning Staff was tasked with preparing a Historic District Area Plan to create a vision for the future of Magna's Main Street and surrounding blocks. The multi-year planning process has been a collaborative effort, with contributions from the Planning Commission and Council, members of the public, Rio Tinto Kennecott, the State Historic Preservation Office, UTA, Salt Lake County Economic Development, and other key stakeholders. Through recommendations for land use, parking, streetscape improvement, signage, and branding, the Plan is intended to guide Magna toward its Main Street vision of becoming a, "vibrant family-friendly, family-serving historic main street that acts as the centerpiece of a community where people live, work, and play".

On June 13<sup>th</sup>, the drafted Historic District Area Plan will be presented to the Planning Commission for consideration. Following a public hearing, the Planning Commission may recommend that the Council adopt, adopt with revisions, or not adopt the Plan as drafted.

#### **BACKGROUND**

#### **Project Purpose:**

The MSD Planning Staff was tasked with creating a District Plan for Magna's Main Street in order to spark revitalization following the 2020 earthquake, and guide Magna's participation in the Main Street Program and National Historic Register. The Magna Historic District Area Plan ("MHDAP") is intended to be a long range vision for Magna's greater Historic District area, aligning:

- The needs and desires of the community members regarding updates to the historic district, open space and transportation opportunities, and future development and economic opportunities within the area;
- The vision and goals outlined in the General Plan.;
- The economic development and housing needs of the historic neighborhood and City as a whole;
- The needs of district property owners and development community; and
- The incentives and opportunities associated with, the National Historic District Designation, Utah Main Street Program, and the active Community Reinvestment Area (CRA).

The MHDAP specifically creates a guiding framework for:

- Updating the physical environment within and around the Historic District core.
- Promoting context-sensitive development and renovation within the historic district and surrounding neighborhood.
- Capitalizing on funding opportunities available to Magna City, businesses, property owners, and developers operating within the district area; and
- Updating zoning ordinances and other regulatory frameworks affecting the area.

#### **Project Timeline:**

The planning process began in 2021. The project has been influenced by and influential to municipal efforts throughout the period of its development. Phases of the plan development and projects initiated in the effort included:

- 1. An inventory and analysis of existing conditions to establish housing and economic development targets and goals that work to ensure future economic vitality and sustainability, as well as address housing affordability and availability issues within the district area and city.
- 2. A collaborative effort with Utah State University Department of Landscape Architecture and Environmental Planning, 4100 Urban Studio led by Professor Caroline Lavoie in the Spring 2021. The Studio helped to develop concepts for updates to the Historic District and explore best practices in planning and design as applied to Magna City by a group of young planners and designers.
- 3. Development of Magna Moderate Income Housing Plan goals and strategies for Magna City, adopted in 2022. Completion of the MHDAP demonstrates measurable progress toward meeting Magna's identified Moderate Income Housing strategies.
- 4. A collaborative effort with University of Utah Department of City & Metropolitan Planning 6440 Urban Design Principles led by Professor Mark Morris in the fall of 2022. The Studio conceptualized site development for potential project sites in the Historic District Core.
- 5. A collaborative effort with Utah State University Department of Landscape Architecture and Environmental Planning, 2720 Site Design Studio led by Professor Dave Evans in the Spring 2023. The Studio designed updates to the open spaces within the Historic District Area, including Magna Mantle Park, Magna Copper Park, and the Historic Main St. streetscape.
- 6. The development, adoption, and application of the Downtown Historic District Mixed-Use Zone. The new zoning district was adopted by Magna Council on June 16, 2023.
- 7. Plan Document development for updates to the Historic Core including streetscape updates, district branding, street furnishing and signage, as well as solutions for circulation and parking issues (completed over the course of 2023).
- 8. Plan document development creating guidance for development within the plan area. Including the representation of a buildout scenario for the Downtown Historic District Mixed-Use Zone, and the outline of an overlay zone plan that articulates where residential density increases should be allowed (completed 2023-2024).
- 9. The development of an accompanying plan document Website, Magna's Historic District Revival (2024): https://experience.arcgis.com/experience/dd145b6aaf31417d90d78630eeeb98ee/

#### **Public Input:**

Public engagement was integral to the development of the plan document. Planning Staff attended multiple public activities to engage in-person with district residents and visitors. Three separate online surveys were released to collect public input on the subjects of: existing and future conditions in the Historic District generally, branding of the historic district, and potential updates to the Magna Neighborhood Park properties.

As the MHDAP has approached completion, efforts have been made to communicate the results to the community for their feedback. Updated drafts have been presented to local community organizations, including Magna Main Street Alliance (MMSA) on March 6, 2024, and Magna Communities that Care on March 26, 2024. Plan drafts were also presented to the community during a site visit from leadership within the America Main Street Program June 6, 2023, and project updates have been given to the Magna Planning Commission and Council during the development process. Plan drafts have also been shared with regional partners and stakeholders for review and comment including Rio Tinto, Salt Lake

County Parks and Recreation, Salt Lake County Economic Development, Utah State Historic Preservation Office, and Utah Main Street Program.

Feedback from the public has been primarily very positive. Community members have expressed interest in participating in beautification efforts and excitement about the potential updates to open spaces and opportunities for new businesses. Some community members have expressed concerns about the plan's recommended increase in residential units, and potential for increasing competition for parking spaces and community resources. However, recommendations in the drafted Plan related to proposed district parking solutions and increased access to public transportation resources have helped to reduce these concerns.

#### **State Code Requirements:**

There are no state code requirements specific to the development of District Plans. However, municipalities are generally allowed to plan for historic preservation, civic activities, cultural opportunities, and prosperity (economic development). 10-9a-401. Adoption of the document creates no obligation to complete projects and proposals outlined.

#### Decision-Making Authority:

The Magna Planning Commission, as the advisory body for the City of Magna, may make a motion to recommend the Area Plan Document for adoption following a public hearing. The Magna Planning Commission may recommend that the Council adopt, adopt with revisions, or not adopt the MHDAP as drafted. The Magna Council, as the legislative body for the City of Magna, has the final decision-making authority regarding the MHDAP. Following a recommendation from the Planning Commission, the Council may adopt, adopt with revisions, or not adopt the Plan as drafted.

#### **PLAN CONTENT**

Sections: Magna Historic District Area Plan Chapters and Sections

**Summary & Relevance pg. 06** – This section introduces the reasoning for engaging in the planning projects and outlines some of the opportunities that have been established to encourage renovation and development in the district area.

**Chapter 1. Introduction pg. 12** – This section begins by establishing Magna's role in a regional planning context. It then outlines the development history of the district and discusses how that has influenced existing character and current community conditions.

Chapter 2. Inventory and Analysis pg. 30 – This section contains a thorough analysis of existing economic and housing conditions within the district. Effort is spent on explaining the consistent commercial vacancy and lack of vitality within the historic core. Solutions identified include the need to balance retail and service square footage (sqft) available in the district with the number of housing units and district residents living within a walkable context of the Commercial Main St. Analysis also identifies gaps in housing affordability within the district, and makes suggests for providing greater equity in housing accessibility within the area.

**Chapter 3. Public Engagement pg. 60** – This section is dedicated to outlining the public engagement approach utilized for the development of the plan document, as well as the results of online surveys on the district generally and the more specifically on the branding of the district.

**Chapter 4. Goals, Metrics, & Strategies pg. 68** – This section is dedicated to outlining the economic development and housing solution identified in the inventory and analysis section and integrating them with goals regarding improvements the streetscape environment of the Historic core, updates to open space and active transportation opportunities, and coordination with public transportation resources and future plans.

**Chapter 5. The Historic Core pg. 76** – This section focuses on improving the streetscape environment of the National Historic Commercial District and the surrounding area. Emphasis is placed on improving walkability within the district through updates to sidewalks, bulb-outs, street furniture such as benches and bikes racks. Parking solutions are recommended along with updates to the district's alley system. Also, area beautification and event planning solutions are also articulated.

**Chapter 6. Development in the Historic District pg.114** – This section outlines development scenarios articulating the capacity of the HDMUZ to accommodate growth within the Historic Core. It also outlines an overlay zone plan for the remainder of the district that will direct growth where it can best be accommodated within the district and improve the performance of existing zoning to ensure the character of historic neighborhoods is preserved.

**Chapter 7. Regional Connectivity and Open Space pg. 144** – This section is focused on improving open space and trails opportunities within the district. Special attention is paid to the potential that updates Manga Copper Park mu act as regional attraction to the district supporting economic development and provide improved access to amenities for district residents.

**Chapter 8. Work Program and Goals pg. 164** - This section is dedicated to outlining the action items and initiates that will be required to accomplish the goals and strategies articulated in the plan document. The chapter provides a mapped timeline that attempts to articulate projects and the geographies to which they relate. The chapter also provides a work program tables that match categories for historic district management as described by the Utah and America Main Street Programs.

**Index pg. 198** - This section assembles funding opportunities that should be considered when working to accomplish Work Program action items and initiatives. It also contains greater detail and guidance regarding the directives of the Magna General Plan, and includes additional information on regional funding partners.

#### **Existing Conditions:**

Chapter 2: Inventor and Analysis provides a review of existing conditions in the plan area. The chapter identifies issues related to land use, economic stability, and housing. Much of the research is centered on identifying contributing factors to persistent vacancies within the National Historic Commercial District and steps the city can make reverse this trend and provide the vitality and foot traffic required to support the total retail and service square footage existing within historic commercial buildings and additional commercial buildings added subsequently. The chapter provides examples of how these land uses in the district might be addressed to provide for greater economic stability and more economically inclusive housing opportunities.

#### Vision and Goals:

A vibrant family friendly-Family, family serving historic main street that acts as the centerpiece of a community where people live, work, and play.

Chapter 4: Goals, Metrics, & Strategies outlines strategies to:

- Promote, incentivize, and support context sensitive development in the district.
- Provide infrastructure supporting community development and walkability.

- Generate taxable value in the district.
- Support economic development within the district.
- Support housing diversity and affordability.
- Improve social organization and regional and rational Program Participation

#### **Key Plan Recommendations:**

Key plan recommendations are identified in Chapter 8, Work Program & Transformation Strategies. This Chapter establishes action items organized using the Main Street America Transformation Strategies Framework. There are four categories in this framework, and Chapter 8 articulates significant action items for the plan area within each category.

- **Economic Vitality Work Program Table** The Economic Vitality Work Program Table focuses on zoning, public/private development opportunities, and business and entrepreneurial support. *Action Items Overview:* 
  - Adopt Historic District Overlay Zones
  - Develop Historic District Parking Pool

  Street Program and the formation of a Magna Certified League of Governments will increase
  avenues for grant and funding opportunities for business, property owners, and the
  municipality. Action Items Overview:
  - Support Magna Main Street Alliance in becoming an independent 501c3.
  - o Develop a Magna Certified Local Government program.

- o Expand Programming at the Baseball Diamond
- o Continue to collaborate with Utah and America Main Street Programs.

#### **STAFF ANALYSIS**

#### Compatibility with Existing Plans and Ordinances:

**General Plan Guidance** - The Magna Historic District Area Plan (MHDAP) will support the existing General Plan document, by providing a greater level of detail and specificity for the area. The project will address over 60 items in the General Plan Work Program in the competition of this planning project. Some of the most notable action items in the General Plan Work Program are listed below for reference.

Work Program: Land Use & Neighborhoods

- **#9.** Create and adopt an Illustrative Plan, Regulating Plan, Building Form Standards and Public Space Standards for Magna Main Street
- #43. Advance efforts to capitalize on recently established historic district status.
- **#44.** Create a study group to evaluate the expansion of the historic district to include part or all of the Old Magna Neighborhood
- **#45.** Consider adoption of design guidelines for infill and replacement housing in the Old Magna Neighborhood to ensure preservation of the historic character of the area.
- **#3.** Enhance existing and future commercial nodes to allow higher density residential development, improve walkability, connect the commercial areas to surrounding neighborhoods, and increase retail square footage.
- **#4.** Review current parking requirements to ensure the highest and best use of land within commercial nodes.
- **#5.** Create community entry areas that identify the primary entrances to Magna, create a sense of identity, and enhance community pride.

#### Integration of Stakeholder and Public Engagement:

Chapter 3: Public Engagement outlines a proactive approach that was adopted to ensure ongoing public awareness and participation throughout the planning process, employing a range of community engagement strategies. These strategies encompassed online interactions through surveys and face-to-face engagements at community events and gatherings, utilizing interactive posters and activities to foster meaningful dialogue about the future of Magna's Historic District Plan Area.

Online surveys and In-person engagement were used to engage residents, business owners, stakeholders, and visitors, all of which are important in shaping a shared vision for the Historic District Area. Survey responses are quoted throughout the document to demonstrate the public feedback was incorporated in the plan goals and recommendations.

#### **Consistency with State Code Requirements:**

There are no state code requirements specific to the development of District Plans. However, municipalities are generally allowed to plan for historic preservation, civic activities, cultural opportunities, and prosperity (economic development). 10-9a-401. Adoption of the document creates no obligation to complete projects and proposals outlined.

#### **Anticipated Impacts:**

The adoption of the Magna Historic District Area Plan provides guidance for important projects within the community. Including:

- The development and adoption of a Historic District Parking Ordinance providing guidance and solutions for parking issues associated with new development within the district.
- The development and adoption of Historic District Overlay Zones will guide context appropriate development opportunities in the district as well as help adapt existing zoning to the historic conditions existing within the district.
- Updates to the streetscape and environment of the National Historic District Area.
- Updates to public circulation in the district including improvements to the east/west alley system of the Historic Core.
- Updates to city and district signage and branding.
- Updates to open space and recreation opportunities within the district.
- Conceptual guidance for potential development projects in and around the historic core.

An important aspect of this planning effort has been to identify funding opportunities that can be coordinated to assist the community in accomplishing many of the recommended updates to streetscapes and the physical environment. Prioritizing suggested action items and budgeting for the required commitment to match funding will be paramount in accomplishing these goals.

#### STAFF RECOMMENDATION

MSD Planning Staff has thoroughly reviewed the drafted Magna Historic District Area Plan. In addition, the draft was sent to *Salt Lake County Economic Development*, *Salt Lake County Parks and Recreation*, *Rio Tinto*, *Utah Main Street Program*, *Magna Main Street Steering Alliance*, and *Magna Communities That Care* for comment. Based on their review and analysis, staff finds that:

- 1. The plan document is sufficient to provide local and regional partners with guidance for the coordination of updates to the streetscape environment, parks and open space, as well as active and public transportation opportunities.
- 2. The plan document provides justified targets regarding economic and housing development within the district, and outlines the steps required to facilitate context appropriate development in strategic locations throughout the district.
- 3. Outlines expectations for updates to the public and private parking opportunities, as well as improvements to automotive and pedestrian circulation in and around the Historic Core.
- 4. The plan document reflects the desires of community members and businesses owners in the district, and outlines opportunities to develop regional attractions that can encourage increased visitation and economic activity in the district.

Given the above findings, staff recommends the following action: That the council review the Magna Historic District Area Plan document and website and make recommendation as required to meet the perceived needs of the plan area and community at large.

#### **NEXT STEPS**

Public notice of the staff recommendation for the Magna Historic District Area Plan has been made prior to this council session. Public comment will be taken June 13<sup>th</sup>, 2024, during the Magna Planning Commission session. Once the public has had a chance to comment, the Magna Planning Commission will have the opportunity to vote on a recommendation to Magna Council for the proposed area plan. Voting options are as follows:

- Vote to recommend adoption by the Council.
- Vote to recommend adoption by the Council with modification.
- Vote to recommend the document not be adopted by the Council.

Staff will return to Council during the July Working Meeting to review the plan document with the Council to present any revisions made as a result of recommendations made by the public, PC, as well as any recommendations made by the Council during or after this session. Baring any further revision required, Staff will approach the Council for a vote to adopt the Magna Historic District Area Plan as a guiding document for the plan area and city during at the subsequent Magna Council Business Meeting.
